

We are pleased to announce that Mike Jones, formerly Group Business Development Manager, has been appointed General Manager of Haswell Engineers Limited with effect from 1st July 2008.

Mike has held a number of senior appointments within Bombardier Transportation and its antecedents. Mike has a BSC (Hons) in Mechanical Engineering and is married with three children.

Mike joined the group in March 2008 and succeeds Patrick Holt, who has resigned. Patrick Holt leaves the group after some five years service. We wish him well in his future endeavours.
