

LPA GROUP PLC

("LPA", the "Company" or the "Group")

Contract Win and Orderbook

LPA Group plc, the high reliability LED lighting, electronic and electro-mechanical system designer and manufacturer, announces a record orderbook of £34m, with the receipt of a £5.3m order for the supply of electro-mechanical products to the UK rail industry. Sales under this contract win are expected to commence towards the end of the Group's current financial year, with the Group remaining on track to deliver FY23 results in line with current Board expectations. Over the next two to three years this new business will provide good quality and consistent base load of standard product well suited to the skills and capabilities of the Group.

About LPA

LPA Group plc (AIM: LPA) is a market leading designer, manufacturer and supplier of high reliability LED lighting, electronic and electro-mechanical systems, and a distributor of engineered components.

Focused on transport (rail and aviation), defence, infrastructure and industrial markets and supplying into hostile and challenging environments, LPA is known for engineering solutions to improve product reliability, reducing maintenance and life cycle costs.

The Group has three sites across the UK, selling to customers in the UK and overseas. Two of these are design and manufacturing sites: LPA Connection Systems - electro-mechanical systems for rail, aviation and industrial, and LPA Lighting Systems - LED lighting and electronic systems for rail and infrastructure. The third site is LPA Channel Electric - a value added distributor of engineered components for rail, aerospace and defence.

With over 160 years of UK design and manufacture, and with origins in the first ever light installed in 'Electric Avenue', Brixton; innovation is core to LPA and to the products and services supplied to our customers worldwide.
