(“LPA”, the “Company” or the “Group”)

### **LPA participation at AERO Friedrichshafen Expo 2025**

LPA Group is pleased to announce its participation at AERO Expo, the global trade show and conference for the general aviation market, set to take place from 9 to 12 April in Friedrichshafen, Germany.

LPA will showcase its latest range of Red Box ground power units for DC aircraft globally, that are designed for use in both civil and military markets to deliver power solutions to its customers.

With over 32,000 visitors expected to attend the trade show, 53% of which hold a pilot license, the event presents a unique opportunity for the general aviation community to come together and discover the latest innovations in the industry.

LPA is providing over 40 Red Box units to leading aircraft manufacturers, resellers, MROs, FBOs and flying clubs exhibiting at the show. These units will power their aircraft avionics throughout the event, serving as an endorsement of the capability and performance of LPA products.

## **About LPA**

LPA Group plc (AIM: LPA) is an innovation-led engineering specialist in electronic and electro-mechanical components and systems.

Focused on transport (rail and aviation), aerospace, defence, infrastructure and industrial markets and supplying into hostile and challenging environments, LPA is known for engineering solutions to improve product reliability, reducing maintenance and life cycle costs.

The Group has four sites across the UK, selling to customers in the UK and overseas. Three of these are design and manufacturing sites: Saffron Walden, Essex - electro-mechanical systems for rail, aviation and industrial; Knapwell, Cambridge – power supplies for the rail market, Normanton, Yorkshire - LED lighting and electronic systems for rail and infrastructure. The fourth site is Thatcham, Berkshire - value-added distribution of engineered components for rail, aerospace and defence.

With over 150 years of UK design and manufacture, and with origins in the first ever light installed in 'Electric Avenue', Brixton; innovation is core to LPA and to the products and services supplied to our customers worldwide.
